American Legion Post 139 is collecting school supplies to donate to local USO organizations and other non-profits to help off-set some of the high costs of going back to school.

We will collect donations **until August 15th at 6pm**. Drop off your donations at the Post from 11am to 10pm Monday through Sunday. You can also donate cash, simply leave it with one of the bartenders. Lastly, you can donate through our website (Arlpost139.com), just be sure to tag it as a donation for Back to School. Our goal is to help 12 kids. Please help if you can.
